Rc No. 1038/Ko24

Station Madras, *Dated the* 23 22 October 1924.

From (Name) P. Hannyngton, Esquire,

(Designation) Ag. Inspector-General of Police.

To The Chief Secretary to the Government of Madras,

Judicial (Police) Department.

Sir,

Reference:- G.O.No.Mis.1139-W, dated 11th October 1924.

I have the honour to request that Government will be pleased to reconsider their order in the circumstances stated below:-

The District Police Office, Bellary, was originally located in the building in question. But when in their Order No.1324 W, dated 16th September 1921, Government sanctioned its use as the combined office and residence of the Deputy Inspector-General of Police, a private building was taken on lease for ten years for the District Police Office. I have on inspection found this leased

K

building very unsuitable. The Executive Engineer is also of the opinion that it is unsafe for use as a public office as it may collapse at any time if rain and subsoil conditions cause any slight settlement in foundations.

2 The question of terminating the lease is being considered. If this can be successfully done, the bungalow now allotted to the Superintendent, Central Jail, Bellary, will be required as an office and residence for the District Superintendent of Police.

3 I therefore, request that the Government building may be retransferred to this department.

I have the honour to be,

Sir,

Your most obedient servant,

E. P. Richardson.

Please see notes at pp 22-23 of Geo. No 1139-W. dt 11.10.1924. For orders whether the decision arrived at therein will now be reconsidered. Please see para 2 of the Dy's letter at page 2 C.F. and his first letter dt 24.3.24, especially the concluding portion of it, at page 5 of the above order If the Dy. had already intimated before what he has stated now, the decision reached in the matter would have been different - Vide C.S's notes at pages 9-10 ante in the above order

Res 7.11.24.

There are no new grounds for reconsidering the order which was passed both C2 & C3. We know that the present DSP's office had been taken on a 10-year lease & was considered unsuitable, but it did not appear in the least likely that the lease could be passed on to anyone else.
